

# PHI KAPPA SIGMA

INTERNATIONAL FRATERNITY, INC.

---

August 18, 2021

Brothers –

Thank you for joining us at **Phi Kappa Sigma's 100<sup>th</sup> Grand Chapter** this past weekend in Carmel, Indiana. It was an honor and a privilege to have you in attendance.

Grand Chapter aims to bring brothers together from across the country and Canada for the purposes of conducting Fraternity business, providing educational seminars, and for fostering a bonding and social opportunity for our brothers. While we understand you have many obligations, we greatly appreciated that you took the time to join us at this memorable event. It was a pleasure reuniting with so many of you in person once again, and an even greater honor to have met so many new brothers for the first time in person. The bonds and brotherhood we witnessed be built over this past weekend will last a lifetime. We hope you enjoyed the event as much as we did.

As Brother Lizalde challenged you all this weekend, we again ask you all to “**ask us [this board] those difficult questions and to hold us accountable.**” We reaffirm our commitment to you and the Fraternity by encouraging you to do just that. We look forward to hearing from you all in the future. Our contact information can be found at [www.pks.org](http://www.pks.org).

Again, we sincerely thank you for your time and commitment to making this a memorable event for all our brothers.

Fraternally,

**Grand Alpha**
